

## 20% off Motorcycle Covers

### **Protect Your Motorcycle Against Sun, Rain, Snow and Dust**

VIP is a two piece cover system. The bottom cover is a strong rubberized material on top of which you park your motorcycle. When this is strapped up against the sides, the second cover straps down from the top, for ultimate protection from rain, snow, sun, dust, and more. The top cover has two layers, combining advanced weather shielding material with heat resistant material to prevent hot engine damage.

- Top cover can be used alone for fast protection equal to our basic covers.
- Use both VIP covers together for ultimate short or long term protection.
  - Soft top cover protects your motorcycle's finish.
  - Advanced buckle and strap system.
- Maintains total protection and great fit even in high winds.
  - 5 year limited warranty
