Special gift for 123, Gift for Me

Do you want a website designed, but don't have a logo?

On any regular day, that will cost you \$50 – but not today!

As a special gift to the 123, Gift for Me community, if you choose to have your website designed by "Ambassadors" Web Design, you get the logo design for FREE!

"But what if I already have a logo? Will I get no gift?"

Don't worry – I won't leave you giftless. If you already have a logo, and you want a gift (who doesn't?), you'll get your 6th page FREE of charge.

How does that sound?

Do you want a website and a free logo/6th page?

I hope to hear from you soon,
