

Resale rights and rebranding for Auction Category Master

We are offering resale rights for our Auction Category Master software. You can see the sales page for the software here:

AuctionCategoryMaster.com

This software retails at a unit price of \$37. As a '1, 2, 3 Gift For Me' member, you can buy a resale rights license for the special price of just **\$47** (a saving of \$150 on our usual price).

We also offer a rebranding for the software and this is how the rebranding service works:

- * You choose the name of the software and which colors you want the software to use.
- * You provide us with a software logo (and optionally your company/website logo).
- * You tell us which website URL you want the software to link to.
- * We send you your rebranded software ready for you to distribute.

This service usually costs \$197 in addition to the resale rights license. We are offering rebranding including resale rights for just **\$97** (a total saving of \$297). This offer is only available to members of '1, 2, 3 Gift For Me'.
