

Resale rights and rebranding for SearchBee

We are offering resale rights for our SearchBee software. You can see the sales page for the software here:

This software retails at a unit price of \$27.

You will receive versions for the US, UK, Australia and Canada.

If you are an eBay affiliate we will also put your own affiliate ID in the software so you will receive commissions on your customers' eBay purchases.

As a '1, 2, 3 Gift For Me' member, you can buy a resale rights license for the special price of just **\$123** (a saving of \$374 on our usual price).

We also offer a rebranding service for the software and this is how the rebranding service works:

- * You choose the name of the software and which colors you want the software to use.
- * You provide us with a software logo (and optionally your company/website logo).
- * You tell us which website URL you want the 'About' page to link to.
- * We send you your rebranded software ready for you to distribute.

This service usually costs \$197 in addition to the resale rights license. We are offering rebranding including resale rights for just **\$297** (a total saving of \$397). This offer is only available to members of '1, 2, 3 Gift For Me'.
