

## **Attention Marketers! Finally, a Give Away with Some Buzz!**

Now, make money from the eBay Affiliate Program even when you're out on the beach!

SearchBee is a search tool that scans eBay auctions from the system tray, looking for only those items the user specifies!

SearchBee is embedded with a unique affiliate ID that earns you money when anyone who downloads it runs a search and wins an auction.

Your customers will be thrilled at how easily they can find an item they want on eBay and you'll be "buzzed" when you discover how much income their shopping can bring you!

**Just look at all the benefits SearchBee offers you:**

- Thank your customers for their business with something they can use over and over again at no cost or effort to you!
- Extend the offer as a free bonus to your list, subscribers, visitors, friends and readers!
- Offer it as a special download on your website, blog, forum, emails, newsletters, up sell emails, thank you emails, etc. You name it.
- It is specially configured so all commissions are tracked directly back to you. You share the commission with me alone!
- Your visitors are not in the USA? Doesn't matter! SearchBee can be configured to work on the UK, Canada and Australia eBay sites.
- SearchBee will generate income for you as long as your customers continue to use it to search and shop on eBay.

**But, did I mention the best part?**

**This absolutely fantastic search tool is FREE!**

**That's right! I will personally configure SearchBee and make it available to you at absolutely NO CHARGE!**
